Audit – SWOT Analysis

The purpose of the SWOT analysis is to articulate core factors, resources and potential for the club with a view to building a thoughtful strategy for the coming period.

<p>Strengths</p> <p>10 players from the senior squad played junior rugby at the club</p> <p>Best quality playing fields in Victorian rugby outside of AAMI Park.</p> <p>Small family club</p> <p>Masters side who are actively involved in the club</p> <p>Potential to untap new player sources in Yarra Valley</p>	<p>Weaknesses</p> <p>Lack of junior club causing no filtration system into the senior rugby program (If it stays the same will hugely impact senior team in coming years)</p> <p>Head coach plays. Game day management is hard (rotations, general team management etc.)</p> <p>Small senior playing group (20-30 players)</p> <p>Lack of volunteers makes running the club effectively very difficult</p>
<p>Opportunities</p> <ul style="list-style-type: none"> ● Rebuild junior club, start with one team. <ul style="list-style-type: none"> ● Local junior footy is played on Sundays. Potentially market the fact the junior rugby is played Saturdays) Lots of kids play multiple sports ● Core group of senior squad is young. Must retain and build on that. ● Speak with VSRU 1st and 2nd XV (u18)about getting players to play with us the following year <p>Promote and market the club further into schools, community.</p> <p>Getting sponsorships and grants to help further the club financially</p>	<p>Threats</p> <p>Being located so close to big premier club Box Hill and 2nd division and junior stronghold Eltham. Also rugby league club in Boronia</p> <p>Lack of general marketing on rugby in the media.</p> <p>Pretty much no advertising by governing bodies on encouraging kids to play rugby.</p> <p>Continuous poor results from top tier teams (Rebels and Wallabies) takes interest away from new people to the game.</p> <p>AFL stronghold with the biggest local competition the EFL has established clubs everywhere in the Maroondah, Yarra Ranges and Manningham Councils</p>
